1. [redacted] Mr. Cutts called to say that it had been decided that it would be wise to obtain formal approval from the Department of Defense and the Department of State to the submission of the material requested by Senator Jacob K. Javits in the course of the Joint Economic Committee hearings last year. This will be accomplished through DOD channels. 25X1

2. [redacted] Mr. Carman advised that Gordon Nease of Senate Armed Services had called saying that Senator John Stennis wished the Director to brief his committee on the Soviet bomber threat next Tuesday at approximately ten o'clock.
